

# Assembly Instructions

Lay out all parts in a clean open area allowing for an easier assembly process. We suggest having two people in the assembly process. The tool is included for assembly.

## **Step 1 / Base**

Position Base with opening facing upward, stand Base up and open other parts as shown below.

Fix 2 bases in front & back of the bench. Please notice marked number.

**Step 2 / Sides Panel**

Just put the sides panel on the frame of chair. Please notice the position of marked number.

**Step 3 / Back Panel**

Just put the back panel on the frame of chair. Please notice the position of marked number.

**Step 4 / Seating Panel**

Just put the seating panel on the frame of chair. Please notice the position of marked number.
