

Assembly Instruction

Lay out all parts in a clean open area allowing for an easier assembly process. We suggest having two people in the assembly process. The tool is included for assembly.

Step 1 / Base

Position Base with opening facing upward, stand Base up and open other parts as shown below.

Fix 2 bases in front & back of the bench. Please notice marked number.

Step 2 / Back frame

Put the back of bench. Please notice the position of marked number.

Step 3 / Seating Panel

Just put the seating panel on the frame of bench. Please notice the position of marked number.
